FEW COURSES OFFER VIEWS AS STUNNING AS THOSE FOUND AT THE GOLF CLUB AT NEWCASTLE

Even more memorable is the course itself. Designed by renowned golf course architect Robert E. Cupp in consultation with Masters Champion Fred Couples, the facility combines characteristics of some of the game's legendary courses with innovative practices to provide an exceptional playing experience round after round. From the cobblestone entrance to the majestic 44,000 square foot clubhouse, golfers will be treated to breathtaking scenery, well-conditioned greens, and first-class amenities, all designed for the utmost comfort and enjoyment of our guests.

Like the world's highly acclaimed courses, the Coal Creek course offers a true test for players of all abilities. Stretching 7,024 yards from the back tees, it features five par 3's, eight par 4's and five par 5's. The opening hole, at 621 yards, is nothing short of captivating.

Beyond the creek that meanders across the fairway are everchanging city skylines. Throughout the course, golfers will want to pause to enjoy the panoramic views as they realize the aesthetic framing of each and every hole.

At #18 (a beautiful finishing hole) the magnificent clubhouse beckons. Whether visiting for the first time or returning for a special occasion or just a regular outing, we welcome you and wish you a most enjoyable experience at The Golf Club at Newcastle.

THE TOURNAMENT WILL BE PLAYED IN A PROGRESSIVE SCRAMBLE FORMAT ON THE BEAUTIFUL COAL CREEK COURSE AT NEWCASTLE.

Each player registration includes unlimited use of the driving range and practice facilities on the morning of the tournament, golf cart, terrific tee prizes, a boxed lunch, a variety of pre-tournament and on-course activities and contests followed by a gourmet banquet and awards ceremony in the St. Andrews Ballroom.
